of certificated staff
are union members!]

Featured Teacher

Hello! I am starting my third year of teaching Elementary P.E. for Temple City. Throughout the week, I visit all 4 elementary schools within our district. I am also the head J.V. football coach at TCHS. During summer break, I spent my days working outside in the heat at a summer camp in Pasadena and coaching football. I look forward to returning to TCUSD this year!

Join the Catastrophic Leave Bank now and protect yourself from loss of income in the event of an unplanned extended illness!

Unfortunately, there may be an incidence where an unwelcome event incapacitates an employee or a member of the employee's family which would require the member to take time off of work.

Fortunately, TCEA has a Catastrophic Leave Bank which could help our members in a time of need. To use the bank, a member must donate/contribute two days from their entitled leave.

Your donation to the bank is beneficial in that it may help you in your time of need. Additionally, it's a great feeling to know that your donation of days may also help one of your teammates in his or her difficult time.

For further information please refer to Article XVIII in the TCEA contract.
